Experience

SENIOR DATA LABELING & QA TECHNICIAN

Maanz AI Pvt. Ltd. (Domain: LabOps)

May 2023 – March 2025 | Islamabad, Pakistan

- Performed high-accuracy data labeling and quality assurance (QA) for image, text, audio, and video datasets used in AI and machine learning models.
- Conducted data validation, error detection, and quality checks to ensure compliance with project guidelines and accuracy standards.
- Collaborated with team leads and cross-functional teams to improve labeling workflows and maintain consistent data quality.
- Recognized for professionalism, attention to detail, and reliable delivery of tasks within deadlines.

GRAPHIC DESIGNER

Freelance | Remote (Fiverr & Upwork)

June 2020 – May 2024

- Designed creative and professional logos, brand identities, and marketing materials for local and international clients.
- Created digital and print designs including social media posts, banners, flyers, posters, and business cards.
- Worked closely with clients to understand requirements and deliver visually effective designs aligned with brand goals.
- Managed multiple projects simultaneously while maintaining design quality and meeting deadlines.
